

## **Synagogue Softball 2009**

### **Banned Bat List**

The rules that apply to bats can be found in our Rules 2009 – Page 6. Here is a breakdown:

- 1) Bats shall be made of metal (no 100% Composite bats-handles may be composite, barrels can only contain metal).
- 2) Bats can have only one layer of metal on the barrel (no multi-walled or exterior shell bats).
- 3) Bats cannot contain Titanium.
- 4) Bats must be designed for softball (no baseball or little league bats) and cannot be tampered with or altered, including manufacturer's labeling.
- 5) Bats cannot exceed 1.20 BPF.

Below is a partial list of bats that do not conform to our rules. Any bat not listed below but breaking 1-5 above is also unable to be used in our league.

Akadema Extension X10 Catapult	DeMarini FatBoy	Grover Platinum II
